PRODUCT SHOWCASE

ENGLISH

DESCRIPTION

- This economical and fully equipped 7-piece cleaning set contains everything you need for the very best care of your microscope.
- A silicon hand blower, dust brush, 60 ml of cleaning liquid, lint-free duster, optical cleaning cloths and cleaning swabs. You get all that in a high-quality KERN storage bag which you can also easily fix onto your belt.
- You can use this set not only to gently clean your microscope, but also for example your camera, binoculars or all other optical surfaces.
