

# KERN 281-101

Precise, mechanical spring balances in robust aluminium housing with g/kg readout

## Article codes, product groups & Status information

|                       |                                           |
|-----------------------|-------------------------------------------|
| Model article-code    | 281-101                                   |
| Model-Serie           | 281                                       |
| Assortment            | Sauter                                    |
| Product Type          | Force measurement                         |
| Product group         | Mechanical force gauges & spring balances |
| Product usage type    | Main article                              |
| EAN code (Model)      | 4045761002005                             |
| Planned start date    | 2009-1HJ                                  |
| Customs tariff number | 84238180                                  |
| Country of Origin     | CH                                        |

## Optional Services

|                     |         |
|---------------------|---------|
| Factory calibration | 961-100 |
|---------------------|---------|

## Technical data - Measuring system

|                         |      |
|-------------------------|------|
| Units                   | G    |
| Tolerance (% from Max.) | 0,3% |

## Technical data - Packing & Shipping

|                                            |                    |
|--------------------------------------------|--------------------|
| Dimensions packaging (W×D×H)               | 230×26×17 mm       |
| Gross weight                               | 0,05 kg            |
| Net weight                                 | 0,05 kg            |
| Shipping method                            | Parcel service     |
| UN number                                  | No dangerous goods |
| Packaging component - by weight - plastics | 0 g                |
| Delivery time                              | 1 d                |

## Functions

Standard

# KERN 281-101

Precise, mechanical spring balances in robust aluminium housing with g/kg readout

Option
