

Compact bench scale for rapid, simple counting, checkweighing applications and much more, counting resolution of 30,000 points

Features

- Precise, intuitive to use and digital – with our counting scales you can accelerate your annual stock taking processes and thus save time and money
- Three displays for weight display, reference weight, total pieces
- High mobility: thanks to rechargeable battery operation, compact, lightweight construction, it is suitable for the use in several locations (production, warehouse, dispatch department, etc.)
- Compact size, practical for small spaces
- Weighing with tolerance range (checkweighing): a visual and audible signal helps with portioning, dispensing or grading
- Summation of weight values
- RS-232 data interface for connection to a printer as standard

Technical data

- Large backlit LCD displays, digit height 20 mm
- Dimensions weighing surface, stainless steel, W×D 230×300 mm
- Rechargeable battery pack integrated, as standard, operating time up to 50 h without backlight, charging time approx. 6,5 h
- Net weight approx. 3,2 kg
- Permissible ambient temperature 0 °C/40 °C
